

VitaPepK™

0-0-29

GUARANTEED ANALYSIS

Soluble Potash (K₂O) 29.0%
Derived from: Potassium acetate, protein hydrolysate

VitaPepK is a highly available liquid formulation of potassium acetate. **VitaPepK's** low salt index and superior foliar absorption quickly increases potassium levels in plants with minimal potential for burn, even at higher rates. **VitaPepK's** organic nature provides greater absorption of potassium than other commonly used potassium sources such as potassium nitrate as well as plant safety even at higher rates. **VitaPepK** is especially effective during rapid growth periods, fruit development and sizing when potassium utilization is greatest.

GENERAL RECOMMENDATIONS

FOLIAR APPLICATIONS: 1-2 quarts with minimum of 10 gallons of water.

AERIAL APPLICATIONS: 1 quart in no less than 2 GPA water carrier volume.

SPRINKLER/DRIP IRRIGATION (under canopy) – tree: Use 5 to 10 Gal/acre per application beginning at full leaf and schedule as necessary every 10 to 14 days.

Vegetable, vines and row crops: Use 3 to 6 Gal/acre per application, make sequential applications based on crop development every 10 to 14 days. Higher rates are for Flood and Furrow Irrigation.

PIVOT/OVERHEAD IRRIGATION – Vegetable and row crops: Apply 2 to 4 gallons/acre per application as needed every 10 to 14 days. Trees: Apply 2 to 10 gallons/acre. After injection, allow irrigation to run long enough to wash residual fertilizer from foliage.

Net Contents: 2 x 2.5 gal (9.46 L)
Net Weight: 55.5 lbs (25.17 kg)

Net Contents: 30 gal (113.56 L)
Net Weight: 333 lbs (151.05 kg)

Net Contents: 265 gal (1,003.1 L)
Net Weight: 2,941.5 lbs (1,334.24 kg)

PRECAUTIONARY STATEMENTS

Avoid prolonged or repeated contact with eyes, skin, and clothing. Chemical goggles or a full face shield should be worn. To protect skin wear appropriate protective equipment, such as rubber or plastic aprons, rubber gloves, and boots. Avoid breathing mist or vapor. Keep containers closed. Wash thoroughly after handling. May cause gastrointestinal distress if swallowed.

KEEP OUT OF REACH OF CHILDREN
WARNING
READ ENTIRE LABEL BEFORE USING

STORAGE AND DISPOSAL

STORAGE: Store at ambient temperatures in dry secure area. **DO NOT ALLOW TO FREEZE.** Keep container tightly closed. Do not allow water to be introduced into the container contents. **DISPOSAL:** Dispose of empty containers by triple rinsing or equivalent and discard empty containers in accordance with current Local, State and Federal regulations. Do not contaminate water, food or feed sources by cleaning of equipment or disposal of waste or restate.

WARRANTY

SELLER WARRANTS THAT THE PRODUCT CONFORMS TO ITS CHEMICAL DESCRIPTION AND IS REASONABLY FIT FOR THE PURPOSE STATED ON THE LABEL WHEN USED IN ACCORDANCE WITH DIRECTION UNDER NORMAL CONDITIONS OF USE. NEITHER THIS WARRANTY NOR ANY OTHER WARRANTY OF MERCHANTABILITY OR OF A PARTICULAR PRODUCT EXPRESSED OR IMPLIED, EXTENDS TO THE USE OF THIS PRODUCT CONTRARY TO LABEL CONDITIONS, OR UNDER CONDITIONS NOT REASONABLY FORESEEABLE TO THE SELLER; AND BUYER ASSUMES THE RISK OF ANY SUCH USE.
